" from Chief Commissioner, Central Provinces, No. 2699—116, dated 3rd August 1875.

RESOLUTION.—The Governor General in Council observes that, under the provisions of the Court Fees Act, the cancellation of stamps must be effected by the court or office receiving the document to which a stamp has been affixed.

2. His Excellency in Council is not satisfied that the rules at present in force provide adequate security for the stamp revenue in the case of labels affixed to certified copies of papers which are frequently only imperfectly obliterated by the court issuing these documents.

3. In supersession, therefore, of existing orders on the subject, the Governor General in Council is pleased to direct that the court or office issuing copies, certificates, or other similar documents liable to stamp duty shall, before issue, cancel the labels affixed to them by punching out a portion of the label in such a manner as to remove neither the figure head, nor that part of the label upon which its value is expressed. As an additional precaution, the signature of the officer attesting the document, with the date, should be written across the label and upon the paper on either side of it, as is frequently done by persons signing stamped receipts.

ORDER.—Ordered, that the foregoing Resolution be forwarded to all Local Governments and Administrations for information and further orders, and that a copy be sent to the Registrar of the High Court, Calcutta.
